

Striving for the Best In the Far West

ICPA - NSW Wentworth 2019

Save the Date

5th, 6th & 7th March 2019

**Midway Complex, 6 Midway Drv,
Buronga, NSW**

The 2019 Conference promises to be something a little special and just a bit different to what you may be used to. We can't let too many secrets out just yet, however be sure to consider joining us in this fabulous location.

Wentworth is considered the gateway to Outback NSW and is situated on the junction of the Murray and Darling Rivers in South West NSW. Wentworth Shire also joins the South Australian and Victorian borders and forms part of the greater Sunraysia Region, renowned for its diverse industries and the production of 'clean, green food.'

The conference venue itself is located just 5 minutes from Mildura, where the airport services 7 return flights per day to Melbourne (Qantas, REX & Virgin). With numerous accommodation options available, you're sure to find one that suits (see below).

Whilst in our region we encourage you to extend your stay and enjoy the gourmet food and wine available, the magnificent natural wonders such as Mungo National Park, the Murray and Darling Rivers and the history of the river port at Wentworth. Immediately following the conference is the Victorian long weekend so extend your stay and enjoy the boutique and farmers markets and the activities available.

While attending conference we recommend you consider the following accommodation options:
